Figure 2-1: Location of the Project area

The figure consists of three parts. The top part is a map of Laos with a red box highlighting the project area. The middle part is a photograph of a mountainous landscape with a road. The bottom part is a map of the project area showing various locations and distances.

Map of Laos: Shows the location of the project area in Laos, with a red box highlighting the project area. The map includes labels for Thakhek, 1202, 1205, 1203, and 1201.

Photograph: A photograph of a mountainous landscape with a road. The road is a dirt road, and the mountains are covered in green vegetation. The sky is blue with some clouds.

Map of the Project Area: A map of the project area showing various locations and distances. The map includes labels for Saravane, Saravane S, 1404, 1405, 1502, 1401, and Sekong. A legend on the left lists the following locations and distances:

- 1305 Xepong
- 1306 Nong
- 1307 Thapangthong
- 1308 Songkhong
- 1309 Phongsavan
- 1310 Xombuly
- 1311 Xaybuly
- 1312 Vilabuly
- 1313 Atsaphone
- 1314 Xayphouthong
- 1315 Phalanxay
